

ANGELICA HERNÁNDEZ JAIMES

Java Full Stack Jr Developer

PROFESSIONAL PROFILE

Full-Stack Java Developer with experience in designing and developing robust and scalable web applications. Proficient in HTML, CSS, JavaScript, Bootstrap, React.js, Node.js, and MySQL. Focused on creating attractive and responsive user interfaces, with solid experience in Agile methodologies. Passionate about innovation and continuous improvement, I seek to join a company to develop exceptional web solutions that meet its strategic objectives.
